Please join Bishop Garcia, local Pastors and all People of Life throughout the Central Coast as we gather in a prayerful, loving witness to the Sanctity and Dignity of All Human Life and peacefully demonstrate our commitment to re-build a Culture of Life and a Community of Love. We WALK in memoriam of the little ones who will never see this side of heaven . . . we SING for those who still have no voice . . . we PRAY for the healing of those who have been harmed by abortion and for the conversion of those who work for or support the abortion industry and we have FAITH that one day soon, abortion will once again be UNTHINKABLE!
